Sales and Use Tax on Repairs of Boats or Vessels Capped at \$60,000

Effective July 1, 2015, the maximum tax due on each boat repair transaction in Florida is \$60,000. Subsequent and separate repairs are each subject to their own \$60,000 cap. Beginning July 1, 2015, a dealer should not collect tax in excess of \$60,000 on a single repair. The dealer must maintain records to substantiate the application of the cap to the transaction. Taxpayers making their own repairs to a boat in Florida on or after July 1, 2015, will owe a maximum of \$60,000 of use tax.

Calculation of State Tax and County Surtax

The \$60,000 cap includes both the state (sales or use) tax and any applicable discretionary sales surtax (“county surtax”). No more than \$60,000 in total tax (state sales or use tax plus county surtax) is due on any taxable repair.

Example:

On or after July 1, 2015, a boat or vessel is repaired for \$1,500,000 in Indian River County, a 1% county surtax jurisdiction. The total maximum tax due is \$60,000.

For purposes of reporting, the dealer subtracts the surtax from the maximum tax amount to determine the maximum state sales tax. The county surtax is due on only the first \$5,000 of the taxable sales amount. The total county surtax would be \$50 (\$5,000 X .01). So the maximum state sales tax is \$59,950.

\$60,000.00	Maximum tax
- \$50.00	County surtax
<u>\$59,950.00</u>	Maximum state sales tax

The dealer should then divide the maximum state sales tax by the 6% state sales tax rate to determine the taxable sales amount.

$$\$59,950.00 / .06 = \$999,166.66 \text{ Taxable sales (repair) amount}$$

The dealer should then subtract the taxable sales amount from the gross sales amount to determine the exempt sales amount.

\$ 1,500,000.00	Gross sales amount
- \$ 999,166.66	Taxable sales amount
<u>\$ 500,833.34</u>	Exempt sales amount

\$59,950.00	Tax collected at 6%
\$50.00	County surtax at 1%
\$60,000.00	Tax due Lines 5, 7, and 10 of Form DR-15, <i>Sales and Use Tax Return</i>
\$50.00	Amount reported as county surtax on back of return on Line 15(d)

To calculate the Line 15(a) amount (sales exempt from the county discretionary sales surtax) subtract \$5,000 (amount of the sale that was subject to the surtax) from the taxable sales amount.

\$999,166.66	Taxable sales amount
<u>- \$5,000.00</u>	Amount of sale subject to the county surtax
\$994,166.66	Amount reported on Line 15(a)

This example is based on a surtax rate of 1 percent. If your county has a different surtax rate, the amount of surtax will vary.
